A Platform for the Military Community

<https://vmnews.us>

About Us

Veterans Memorial News was established in the year 2016 to provide a platform for the military community to honor the legacy of our heroes.

It's a place for active-duty families with change of station orders and veterans to find community resources for free. Our goal is to remember the men and women who fought for our peace and freedom.

Key Features of the VMN Application

Military News

- Provides news from DoD RSS Feeds

Veterans Stories

- Veterans can share their stories, upload photos, and collect donations for free

Digital Headstones/In Loving Memory Of

- Military families can create a Digital Headstone or In Loving Memory Of by sharing a photo and story of their loved ones, and collect donations for free

Military Reward Program

- Search and browse Military Rewards by State and city or by Military Base for free

Non-Profit Events

- Non-profit organizations such as VFWs and American Legions can publish events for free

Publish/Sponsor Military Rewards

- Sponsor business listings and banners by purchasing packages
- Sponsor your business listing for as low as \$360 per year in 5 locations
- Sponsor your business banner for as low as \$600 per year in 3 locations
